

## **SALTED CARAMEL FONDANT**

- Pre heat the oven to 190c
- Place the fondant on an oven tray
- Cook in the middle of the oven for 8-10 minutes
- The fondant is cooked when the top has set but there is no resistance when touching the top. (Careful its hot)
- Let the fondant rest for 30 seconds.
- To turn out run a knife around the edge to separate and in one smooth motion turn over onto a plate.
- Serve with the popcorn and enjoy.
